

# Big Pond Rocks

**Date and Time:** *Saturday July 13, 2019 6 - 8pm*  
(Rain date August 10, same time)

**Place:** *Zimmerman/Greenough/Magovern Compound*  
(same location as the Pot Luck)

**What to bring:** Please bring your own lawn chairs, blankets, food and drink, etc. There will be no refreshments available.

This will be a “Tanglewood” type of event just for our Big Pond Community, so please come out and enjoy a great evening where you can either sit back, relax and listen, or bring your dancing shoes and boogie the night away. You can even watch and listen from the comfort of your own boat.

Music will be provided by *Crossroads*, an 11 piece band with multiple singers and a 4 piece horn section. Their repertoire includes everything from Chicago, Blood, Sweat and Tears, and Tower of Power to Amy Winehouse, Sia and Tom Petty. They originate out of West Hartford, CT

**We kindly ask that everyone bring out what you bring in.**
