A little information about golf scrambles for the uninitiated. First and foremost this is a fun event designed to make the non golfer feel comfortable. On each hole each team member hits a shot. After every team member has hit, the team decides which ball is in the best position. Other team members then pick up their ball and bring it to that location where every team member hits again and so-forth until the group holes out on the green. Eventually every one contributes.

If you are paying for yourself but want to play with a specific partner(s) indicate that on the form. If no indication is made, your tournament committee will make up the teams. This is an excellent opportunity to meet new Big Pond residents.

Non golfers may elect to attend for just the social and dinner.
