

BIG POND ASSOCIATION

Membership Application/Renewal - 2011

The Big Pond Association is now a 501c3 Tax Exempt organization. Your dues and any additional contributions are fully tax deductible. We at Big Pond are in the enviable position of preserving a beautiful body of water. Most lakes in the region already are deeply involved in incredibly expensive efforts to fight invasive weeds and excessive nutrients. The future of Big Pond will be a product of our awareness, efforts and generosity.
